

Celebrate World Wetlands Day!

February 5, 2025

Presentations

Mason Bowles – An update from King County

Linda Storm & Shelby Petro – Wetland tales from Taiwan

Society of Wetland Scientists Pacific Northwest Chapter

The SWS-PNW Chapter invites you to our next event in celebration of World Wetlands Day. Join your fellow wetland practitioners, scientists, students and enthusiasts at the HNTB office in Bellevue for an evening of networking.

The evening will include time before and after the presentations for socializing and networking, food and drinks provided by the SWS-PNW Chapter. Come and learn something interesting while enjoying refreshments with your peers.

*Please follow the QR code or
click the link to register by
January 30th so we have a
head count for food.*
