EPA MCCARTHY 3

July 28 2013, at 06:36 PM

Please login to save or purchase this photo.

Gina McCarthy, head of the Environmental Protection Agency, right, with Pat Megonigal, Smithsonian Environmental Research Center deputy director, during a tour of the Global Change Research Wetland at the center in Edgewater, Md., July 24, 2013. When President Barack Obama hired McCarthy to administer the EPA, he confronted Congress head-on and signaled a strong commitment to tackling climate change.
